Michael K. Chakallis,
Famagusta, Cyprus, the 4th February, 1925.

Dear Sir:-

Referring to your esteemed favor dated the 20th May last, I beg to inform you that I have now been able to secure some Greek coins of which I will let you have photographs or impressions soon as you indicate to me an address other than that of the American Nomismatic Society, let it be for example your own private address; this is because exportation from the island is prohibited and I may be suspected by the authorities here from the fact that I correspond with a Nomismatic Society and so be unable of sending them on to you in case we come to an understanding as to the price etc.,

Trusting to read you shortly,

Believe me, Dear Sir,
Yours faithfully,

M. K. Chakallis

Sydney P. Noe Esq.,

Dear Sir:

Responding to your letter of February 4th,
you may send the casts, of which you write, to my

Mr. H. K. Shakallio
Famagusta, Cyprus

Dear Sir:

I have your letter with the three Greek coins of Cyprus, and note that you are preparing to send others. The two silver pieces which you sent, were of Salamis; and probably the third, of bronze is also of that city. Neither of the two silver pieces is in very good condition; and, of course, larger pieces are much more important. These would not have a very great value. I take it, however, that you did not want me to make an offer for them but merely to find out about them. If this is correct, and you do wish to sell, please let me know. In the meantime, I shall hold them awaiting your reply.

I note what you say regarding antiquities, and it may be possible for me to see the things which you describe when they arrive at the Customs House but because our Museum is situated at a great distance from the Customs House, I am not sure that I can arrange to go there.

I hope that you will be able to send us more coins in the near future.

Awaiting your further favours, I am,

Very truly yours,

Secretary

Dear Sir:

Responding to yours of September 28th, the coins you sent are worth only five dollars at the most. Unless these small coins are in good condition, they do not command any considerable price.

Referring to the antiquities which are being sent through the American Express, I have had a letter from them that they are not yet where I can see them, and I am awaiting further information from the American Express.

Very truly yours,

Secretary

Dear Sir,

I am in receipt of your est. 5 last and I answer you with pleasure. -

I note regarding coins that I am always caring to find small or large Greek coins, also of gold, but you would much oblige me if you give me the prices of these now in your hands in purpose to regl my purchases, because are many buyers out of me. -

Referring my other antiquities if you would not may to see them please writing me any direction, museums or persons wishing antiquities to whom I shall sell the above things, by assuring that are of great value and I shall pay a commission according to your directions. -

Awaiting your further favors, I am

Yours truly
